CSP cross cutting priorities

WFP Somalia: Ready for the Transformation

Integrity

- Refine proven assurance measures and reinforce risk management continuously
- Renewed commitment to humanitarian principles as largest humanitarian actor in Somalia

Quality

- *Saving lives* focus, doing better for fewer with reduced resources
- Prioritizing the most vulnerable but still supporting pathways to self-reliance
- Convening and collaborating with all stakeholders to build sustainable government capacity

Impact

- Integrated programming and partnership approaches, data-driven targeting to support community resilience.
- Evidence generation, strategic information to continue to advocate for zero hunger in Somalia

Readiness

- Operational agility and preparedness for all modalities
- Adaptive mindset to challenging funding landscapes

Somalia CSP (2026-2030)

CROSS-CUTTING PRIORITIES
 Enabling nutrition and healthy diets
 Empowering women and girls and advancing equality
 Ensuring protection and accountability to affected people

 Promoting localization and assurance

SAVING LIVES

ENHANCING SELF-RELIANCE

ENABLING GOVERNMENTS

SUPPORTING HUMANITARIANS

NTP Pillar 2 (Economic Transformation)
 NTP Pillar 4 (Environment, Climate Resilience)

NTP Pillar 2 (Economic Transformation)
 NTP Pillar 4 (Environment, Climate Resilience)

NTP Pillar 3
 (Social and Human Capital)

NTP Pillar 2 (Economic Transformation)
 NTP Pillar 4 (Environment, Climate Resilience)

Crisis-affected populations have access to food and nutrition.
 Anticipatory action; early warning; early recovery, disaster risk management, capacity strengthening to enable governments to respond crisis.

Support vulnerable populations to build assets, diversify incomes, strengthen food security and build urban, peri-urban and rural resilience to shocks, and scalable livelihoods support to break the cycle of crises.

Transitioning social protection and school meals programmes to national and sub-national governments.
 Leveraging public-private partnerships.

UNHAS, supply chain on-demand services, WFP-led clusters (Logistics and Food Security), logistics infrastructure development.

Thank you

WFP Somalia
