Philippines Country Strategic Plan 2024-2028
Executive Board Informal Consultation

27 July 2023
## Country Context

| **CHALLENGES** | **Highest disaster risk worldwide**  
due to very high exposure, vulnerability and susceptibility |
<table>
<thead>
<tr>
<th></th>
<th></th>
</tr>
</thead>
<tbody>
<tr>
<td><strong>27% children</strong> under 5 suffer from stunting amidst growing overweight/obesity</td>
<td><strong>Impact of COVID-19</strong> worsened by the global food, fuel, and fertilizer crisis</td>
</tr>
<tr>
<td><strong>Fragile context</strong> in BARMM with two-year window for the transitional regional government</td>
<td><strong>Capacity gaps</strong> remain at national and local level</td>
</tr>
</tbody>
</table>
